

Neon Ranch PinGolf Open

Sept 4-8, 2024

FORE! Neon Ranch Pinball is excited to see ya'll on the golf course! Pingolf is a fun, unique way to play competitive pinball. There will be 18 holes (pinball games) and each hole has a goal. The goal is either a game achievement or a score to reach. If you get the goal on ball one- you got a hole in one- well done! Usually if the hole is an achievement and you don't get it within 3 strokes (balls) then you score 4 strokes on that hole. You can see all the specific holes and goals in the attached table.
